Senate & House Floor Vote Records
2025 Session

This document consists of the following three Sections:

- **Bill synopses, our position, and Final Legislative Status**
- **Bill Floor Vote Scores for bills we took a position in support or opposition**
  - **Bills we took no position on were not counted in the vote score.**
  - **The number of bills receiving floor votes was not consistent from Chamber to Chamber:**
    - **Maximum score in Senate is 5.**
    - **Maximum score in House is 1.**
- **Bill Floor Vote Records (Yea/Nay/Abstain/Not voting).**

SENATE GUN BILLS

SB 0180 Public Safety – Handgun Permits – Expiration and Renewal Periods for Retired Law Enforcement Officer **(Cross-filed with HB 0171)**

Increasing the time period a permit to wear and carry a handgun is valid from 3 years to 5 years for retired law enforcement officers ONLY. This bill is a "carve out" which, as a matter of principle, we cannot support as written. The bill must be amended so the 5-year renewal will apply to all citizens. **SUPPORT ONLY WITH AMENDMENT TO INCLUDE ALL CITIZENS – OTHERWISE OPPOSE**

Final legislative status:

SB 0180 passed in the Senate but died in the House Judiciary Committee without a Committee vote. No House floor vote occurred.

HB 0171 did not progress in the House Judiciary Committee. No House floor vote occurred.

SB0443 Trafficking Regulated Firearms - Felony Classification

Reclassifying from a misdemeanor to a felony transporting a regulated firearm into the State for the purpose of unlawfully selling or trafficking a regulated firearm. No changes to the applicable penalties. **SUPPORT**

Final legislative status:

Signed by the Governor – Chapter 465.

SB 0444 Public Safety - Gun Buyback Programs - Destruction of Firearms

Requiring a person or entity operating a gun buyback program to destroy a firearm, including all components and parts attached to the firearm, for any firearm that is voluntarily traded in for compensation. This includes firearms traded in, or sold to, a dealer. **OPPOSE**

Final legislative status:

SB 0444 passed in the Senate and 2nd Reader with Amendments in the House. It did not receive a 3rd Reader vote. House JUD Committee Chair Clippinger killed the bill by Special Ordering it until the next Session. No 3rd Reader House floor vote occurred.

SB 0449 Frederick and Washington Counties - Bow Hunting - Openly Carrying Handguns

Prohibiting the Department of Natural Resources from prohibiting certain licensed bow hunters from openly carrying a handgun under certain circumstances in Frederick County and Washington County during deer hunting season. **SUPPORT**

Final legislative status:

Passed in the Senate. Died in House JUD Committee without a vote.

SENATE GUN BILLS (continued)

SB 0509 Prohibited Possession of Firearms - Assisted Outpatient Treatment Respondents

(cross-filed with HB 0592)

Prohibiting a person from possessing a regulated firearm, rifle, or shotgun if the person is currently a respondent subject to a court order to comply with certain assisted outpatient treatment; and requiring a court to promptly report certain information through a certain data portal if the court orders a person to comply with certain assisted outpatient treatment.

No Position

Final legislative status:

SB 0509 received a hearing in the JPR Committee, but no Committee vote.

Note: The House cross-file HB 0592 passed in the House, but did not progress in the Senate JPR Committee. Reliable sources indicated the bills stalled when it was discovered the "assisted outpatient treatment plan" referenced in the bills does not exist. No House floor vote occurred.

SENATE GUN BILLS (continued)

SB 585 Criminal Law-Exception to Armed Trespass Prohibition-Retired Law Enforcement

(Cross-filed with HB 0308)

Creating an exception to the prohibition on wearing, carrying or transporting a firearm on private property (currently enjoined by the Courts) for retired law enforcement personnel only, provided the person has a valid permit to wear and carry a handgun. Yet another "carve-out" bill for retired law enforcement. Appears to also allow the wear, carry and transport of long guns. **OPPOSE**

Final legislative status:

Passed in the Senate. Died on House floor prior to a 3rd Reader vote.

SB 0925 Criminal Law - Controlled Dangerous Substances and Firearms

(Cross-filed with HB0413)

Making it legal under Maryland law to engage in additional drug related activities which are prohibited by Federal law. The sponsor's strategy on combining two very dissimilar sections of law in a single bill is difficult to discern. Perhaps they believe the pro-2A groups will support, or at least not oppose the bill which conflicts with Federal law, just to get increased penalties for trafficking in stolen firearms. **No Position**

Final legislative status:

Passed in Senate. Died in House Judiciary Committee due to a lack of Committee action.

HOUSE GUN BILLS

HB 0413 Criminal Law - Controlled Dangerous Substances and Firearms

(Cross-filed with SB0925)

Making it legal under Maryland law to engage in additional drug related activities which are prohibited by Federal law. The sponsor's strategy on combining two very dissimilar sections of law in a single bill is difficult to discern. Perhaps they believe the pro-2A groups will support, or at least not oppose the bill which conflicts with Federal law, just to get increased penalties for trafficking in stolen firearms. **No Position**

Final legislative status:

Signed by the Governor – Chapter 136

HB 0592 Prohibited Possession of Firearms - Assisted Outpatient Treatment Respondents

(cross-filed with SB 0509)

Prohibiting a person from possessing a regulated firearm, rifle, or shotgun if the person is currently a respondent subject to a court order to comply with certain assisted outpatient treatment; and requiring a court to promptly report certain information through a certain data portal if the court orders a person to comply with certain assisted outpatient treatment.

No Position

Final legislative status:

HB 0592 passed in the House, but did not progress in the Senate JPR Committee. Note: Reliable sources indicated the bills stalled when it was discovered the "assisted outpatient treatment plan" referenced in the bills does not exist. No Senate floor vote occurred.
