Tips for Effective 2A Grassroots Advocacy

In General

1. If you do not know who your Delegate(s) and Senator are find out by visiting mdelect.net.
2. Make a point of meeting your Delegate(s) and Senator as soon as possible.
3. Read their biographies on the Maryland General Assembly website before you contact them, it will give you some insight on their positions and interests.
4. If you cannot meet in person, communicate with them via phone and email.
5. Personal "business cards" are a great communication tool. If you don't already have a "business" type card, you can:
    a. Buy some business card stock (you can download Word compatible templates at https://www.avery.com/templates/category/business-cards), create and print your own. Or,
    b. Design and order cards online, e.g.: https://www.vistaprint.com/business-cards
6. Cards don't have to be fancy, all you need is your name, address, phone number and email. Staffers like it when they don't have to write down the information.
7. Make a point of learning who is their Chief of Staff (COS)and establish a good relationship with the COS as they are the gatekeeper. A positive rapport with the COS will get you a meeting or at least phone time far more easily when they know you, or at least know your name.
8. NEVER get personal when interacting with a legislator or any member of the legislator's staff. Stick to facts, sound public policy and procedures.
9. If you don't know the answer to a question, whether in person one on one with a legislator or in Committee, simply say you don't know, but will endeavor to get the answer. Make a point of writing down the question and getting the answer as quickly as possible. Set a date you will respond by. Don't been reluctant to consult others who have genuine expertise on the topic. You are not expected to be an expert (the legislators aren't either).

10. Know the bill you are advocating for or against. Bills often reference other statute sections, the text of which are not always included in the language of the Bill. For information on all of Maryland's gun laws, download:

    2A Maryland's 2025 Edition of Maryland Gun Laws

11. When available, download the fiscal note on the bill. Politicians are sensitive to the cost of implementing legislation and it can often help you justify your position.
12. Be prepared to provide valid facts to show how the proposed legislation will impact you personally.
13. Sending emails with "canned pre-written" messages is not effective. They connote a writer who did not personally invest time or thought and is unlikely to take further action. Use your own words, be short and to the point. During Session, Legislators get hundreds of emails; unless you are a known resource for the legislator, chances are your email will simply be logged as for or against a given bill.
14. Avoid sending emails dealing with multiple bills in a single email, they are not as effective as a dedicated personal email to each legislator for each bill.
15. Avoid sending emails with multiple addressees on the same email. Instead send a single email to each of the legislators. Consider investing in one of the various plug-ins which will do a mail merge of an original email to send individualized emails to all those you wish to contact. Combining Microsoft's Outlook email client, 2A Marland's PST download and the add-in "Send Personally" makes it easy to send dozens of personalized emails quickly.
16. You can really get noticed by sending a letter! Having a physical letter in the legislator's hand will convey that you are really serious about the topic. Yes, it is old school which is why you will stand out from the crowd.
17. When you are communicating with a legislator who is your representative, make a point of letting them know that you are one of their constituents.
18. Always include your name, address, legislative district and phone number in your emails.
19. Direct your communications to the members of the Committee which has control of the bill and to your Senator or Delegate(s). In most cases gun bills are heard in either the Senate Judicial Proceedings Committee (JPR) or the House Judiciary Committee (JUD). If the bill is passed out of Committee, then you need to contact as many members of the Senator or House.

In Annapolis and During Testimony Before a Committee

1. 2A Maryland's ***Lobbying in Annapolis*** is a comprehensive resource. It contains:
    a. Tips for 2A Advocacy
    b. Annapolis area map showing parking and government building locations.
    c. Public parking locations and shuttle route information
    d. Compiled "all on one page" list of the members of the Maryland General Assembly with room numbers and phone extensions
    e. Committee Member Information
    f. House JUD & Senate JPR Committee Witness Guidelines and FAQs
    g. Contact information for the entire Maryland General Assembly with:
        i. Room numbers
        ii. Phone numbers
        iii. Committee membership
        iv. Hyperlinked E-mail addresses
        v. Party affiliation
        vi. Floor plans with room numbers for the House and Senate Office Buildings
2. Each Committee has its own protocol regarding dates when you can register to testify, submitting written testimony and presenting testimony. Virtual presentations will be extremely limited.
    a. https://mgaleg.maryland.gov/pubs-current/current-jpr-faqs.pdf
    b. https://mgaleg.maryland.gov/pubs-current/current-jud-faqs.pdf
3. Visitors to the Maryland General Assembly are required to pass through "airport" style security. No weapons of any type are permitted, **NO** exceptions for permit holders.
4. When in Annapolis for gun bills, avoid "cammies" or attire which could be viewed as "far right," militia, or Trump related.
5. In Committee, applause is not permitted during or after testimony.
6. Depending on the Committee your testimony time will normally be limited from as little as 2 minutes up to 3 minutes. The Committee Chair has the authority to change the allotted time at will. On occasion you may be limited to as little as 1 minute or the allotted time to speak on the different bills at the same time. Their Committee, their rules.
7. When your allotted time to testify expires, thank the Chairman and Committee for their time. Never try to continue after your time expires.

8. When presenting oral testimony:
    a. Do not read your testimony.
        i. Submit your testimony online when you register to testify.
        ii. Make “bullet points” of the major issues you want to cover.
    b. Avoid using organizational boilerplate as it becomes repetitive and easy to ignore.
    c. If others have already made your point, a simple "Me, too" or "what person Y already said" gets the point across. (You may feel like you invested a large amount of time and didn’t get to say what you came to say but you will score points for yourself and our side with the Committee Chairman…)
9. Whenever possible, cite your sources and avoid using data from special interest groups. Government sources are generally best as politicians are reluctant to challenge the credibility of the data.
10. NEVER argue with the Committee Chair or Committee members. You won’t win and it reflects poorly on you personally and on us as 2A Advocates.
11. Do NOT engage the supporters for the “other side” in debate. It is a no-win scenario. You are not going to “convert” them and it often leads to awkward or even unpleasant outcomes. Be professional, courteous, and polite; even if they are not.

MARYLAND SENATE JUDICIAL PROCEEDINGS COMMITTEE
2026 Witness Committee Guidelines

I. Bill Hearings

- All bill hearings will take place in person in the applicable committee room and will be streamed live via the Maryland General Assembly (MGA) Website.
- The Senate Judicial Proceedings Committee ("the committee") traditionally hears bills on Tuesdays, Wednesdays, and Thursdays beginning at 1:00 p.m.
- All scheduled bill hearings will be posted in the MGA hearing schedule. Please check the schedule periodically for the most up-to-date information.
- The bill order will be posted in the MGA hearing schedule by 12:00 p.m. on the day of the scheduled bill hearings. The committee chair will also announce the bill order at the beginning of each bill hearing.
- **To register to provide oral testimony or submit written testimony, individuals MUST create an MGA account through the MGA website.** Click here for a tutorial.
  - Please note, the MGA website does not support internet explorer. Please use another web browser to upload your written testimony.
- Oral testimony sign-up and written testimony submission will open two (2) business days in advance of the scheduled bill hearing and will be open from 8:00 a.m. – 6:00 p.m.

Bill Hearing Timeline

	Monday Hearing	Tuesday Hearing	Wednesday Hearing	Thursday Hearing	Friday Hearing
Oral Witness Sign-up & Written Testimony Submission	Thursday from 8AM - 6PM	Friday from 8AM - 6PM	Monday from 8AM - 6PM	Tuesday from 8AM - 6PM	Wednesday from 8AM - 6PM

Oral Testimony

- Although witnesses are strongly encouraged to provide in-person oral testimony, to include as many citizens as possible in the legislative process, *up to 14* members of the public may provide virtual oral testimony via Zoom per bill.
- For bills the committee heard and voted out unanimously during the 2025 Maryland General Assembly, the committee will only hear oral testimony from the bill sponsor.
- For any other bills the committee heard during the 2025 Maryland General Assembly, the committee will hear from two proponents and two opponents. If more than two proponents and two opponents sign up to testify, the committee will notify individuals that were not selected to testify.
- Witnesses must designate whether they will testify in person or by Zoom. Witnesses may *not* change their oral testimony designation (virtual or in-person) after the sign-up system closes, even if they are not selected for virtual testimony.
- Witness testimony via pre-recorded video will not be allowed.
- Late witness sign-up will not be allowed.
- Witness testimony will be timed. Witnesses will have two-minutes (2:00) to provide oral testimony.
    - **At the discretion of the committee chair, or if a bill has more than 30 witnesses, each witness will have one-minute to testify (1:00)**. If that situation arises, the committee will notify witnesses.
- Witnesses who provide in-person oral testimony will be called to testify before witnesses providing testimony via Zoom. Any changes to this format will be at the discretion of the committee chair.
- Sponsors and witnesses providing in person testimony who wish to share an audio-visual presentation with the committee are strongly encouraged to upload the presentation as written testimony. Requests to show an audio-visual presentation, must be made to the committee manager at least 24 hours in advance of the scheduled bill hearing. For witnesses, the audio-visual presentation must fit within the two-minute allotted oral testimony time. Witnesses providing testimony via Zoom will not be permitted to show an audio-visual presentation during their testimony.
- Typically, witnesses will be called up as a panel, six (6) at a time. Committee members will ask questions after the panel of witnesses conclude their testimony. However, any changes to this format are at the discretion of the committee chair.

Zoom Instructions

- Zoom links will ONLY be sent to witnesses selected to testify who chose "virtual oral" or "virtual both" when they signed up to testify on a bill.

- Zoom links will be sent from noreply@mga.maryland.gov by 12:00 p.m. on the day of the scheduled bill hearing.

  If a witness is NOT selected to testify, the witness will receive an email from noreply@mga.maryland.gov to inform the witness they were not selected.

- **The Zoom link is confidential and should not be shared.**
- Witnesses must log into Zoom with their first and last names so committee staff are able to quickly identify the user and admit them into the meeting at the appropriate time. Witnesses who do not log into Zoom with their first and last name may miss their opportunity to testify.
- Zoom witnesses should follow the hearings via the MGA website to know when the bill they are testifying on is going to be called by the committee chair and should log into Zoom when the bill before their bill is called.
- When testifying, witnesses must have their camera on.
- After the committee chair indicates that there are no further questions, the witness should exit the Zoom meeting or they will be logged out by committee staff.

Written Testimony

- Any written testimony submitted to a committee is public testimony. It will be posted on the Maryland General Assembly website and therefore accessible to the public. Testimony cannot be removed after the scheduled bill hearing.
- Written testimony MUST be in a PDF format to be uploaded.
- Late testimony will be accepted but will not be uploaded in advance of the bill hearing and will be marked as late. Please reach out to the committee manager on how to submit the testimony.

Accommodations

- For an Americans with Disabilities Act (ADA) requests, please contact the committee directly.

House Judiciary Committee
Witness Guidelines
2025 Session

All bill hearings will be held in-person with a virtual oral testimony option (via Zoom) and streamed live on YouTube. If you would like to provide oral testimony, in-person testimony is strongly encouraged.

You can view all hearings live via YouTube on the Maryland General Assembly (MGA) website home page here: http://mgaleg.maryland.gov/mgawebsite/ or on the MGA hearing schedule here: http://mgaleg.maryland.gov/mgawebsite/Meetings/Day/guidelines

Oral testimony sign-up and written testimony (must be a PDF document) submission must be done using MyMGA on the Maryland General Assembly website home page (see icon on the upper right corner of home page). MyMGA works best on Chrome or Microsoft Edge browsers; for Apple devices the Safari browser is best. Other browsers may kick you out of the system.

If you choose to testify virtually, you MUST enter a valid email address that you can access, because this is how you will receive the Zoom link to get into the hearing to testify.

There is NO switching from in-person testimony to virtual testimony or vice-versa once the sign-up period has closed.

Oral testimony sign-up and written testimony submission is open two (2) business days before a scheduled hearing. Sign-up opens at 8:00 a.m. and closes 6:00 p.m. See chart below for sign-up guidance.

The MGA website homepage has video tutorials for **MyMGA** and testimony sign-up.

Bill sponsors are automatically signed up for oral in-person testimony on their own bill but bill sponsors must follow these same MyMGA procedures and timeframes to upload and submit their written testimony. **Bill sponsors**: select "written" (not "both") when uploading and submitting your testimony during the appropriate sign-up day/time for your upcoming bill hearing.

The following chart details sign up and written testimony submission timing:

Hearing is on a ⇨	Monday	Tuesday	Wednesday	Thursday	Friday
You must sign-up to testify and/or submit written testimony On ⇨	The previous Thursday from 8:00am-6:00pm	The previous Friday from 8:00am-6:00pm	The previous Monday from 8:00am-6:00pm	The previous Tuesday from 8:00am-6:00pm	The previous Wednesday from 8:00am-6:00pm
If a virtual witness, Zoom link emailed to you ⇨	Previous Friday	Monday	Tuesday	Wednesday	Thursday

The **bill order** will be updated and posted to MGA hearing schedule the day before the scheduled hearing.

- If a bill sponsor is unavailable to present their legislation at the time the Chair calls the bill, then the committee will hear the bill at the end of the day's hearing.

Time limits for every bill being heard in the House Judiciary Committee during the 2025 Session: each bill sponsor will have three (3) minutes to deliver oral testimony and every subsequent witness (including those on the sponsor panel) will have two (2) minutes to deliver oral testimony. At the discretion of the Chair, the time limit may be reduced if there are a large number of witnesses. The Chair will announce any time limit reductions at the start of the bill hearing

Sponsor Panels: All bill sponsors are permitted to identify up to four additional witnesses to speak on their sponsor panel. These four additional sponsor panel witnesses may testify in-person and/or virtually. Per timing rules outlined above, the bill sponsor will receive three (3) minutes to deliver oral testimony and all other sponsor panel witnesses will receive two (2) minutes to deliver oral testimony.

All other Witness Panels: Witness panels may be submitted to the House Judiciary Committee no later than 24 hours prior to the bill hearing. If you do not submit a witness panel prior to the deadline, the Chair will call the witnesses in the order they appear on the witness list.

There will be **no presentations/PowerPoints** offered by witnesses during House Judiciary Committee bill hearings. **This applies to bill sponsors and all in-person and virtual witnesses.** If you would like Committee members to have your presentation, you may upload it in MyMGA in PDF format along with your written testimony (members will be able to view the document during the hearing, on their laptops, along with all written testimony). You may also email the presentation in advance to Committee members.

There will be **no pictures, videos, graphics, posters, signage, or any other media** allowed to accompany witness testimony either digitally or physically. Media and other documents should be included in written witness testimony. Capitol Police will confiscate any physical displays upon entrance of the House Office Building.

IN-PERSON WITNESSES:

The screens in the main lobby outside of the hearing room display the bill order during each bill hearing. The bill order status is updated throughout each hearing and is reflective on the screens. The screens will also show the live hearing with closed captions. Witnesses are permitted to sit in the rows of chairs (the gallery) at the back of our Committee room until your name is called to testify. While in the committee: do not maintain conversations, keep your phones and electronic devices set to vibrate, and do not consume food. Water is permitted in the Committee room.

VIRTUAL WITNESSES:

- After you receive the email with the Zoom link for your hearing date: start the process of entering the Zoom hearing by clicking the link. At this point, you will be moved to the "waiting room" for the Zoom hearing. The host of the Zoom hearing will see your name in the "waiting room" and **your name must exactly match the name you used to sign up on MyMGA and must be your first and last name.**
    - How to make sure your name matches: once you are signed-in to your Zoom account, and prior to joining the hearing, go to your "Profile" and choose "Edit" next to your name and make sure your "Display name" matches the first and last name you used to sign-up for the hearing. Then join the hearing so the host will see the correct name in the waiting room to admit you.
- **Do not use your organization's name or acronym when joining the Zoom hearing. The host will not admit you to the hearing if the name seen by the host does not match the first and last name used to sign-up.**
- **The name you use to sign-up with during the sign-up period is the only name that will be called and allowed to testify. If you change your/the name in a MyMGA account after the sign-up period has closed, that name will NOT be called to testify.**
- If your bill has many witnesses, you may not be admitted immediately at the beginning of your bill hearing as the host will admit witnesses in groups of approximately five (5) witnesses per panel.
- You cannot hear the Zoom hearing when you are in the Zoom waiting room. You may watch the hearing via the YouTube live-stream or MGA website (see above) while waiting for your bill.

- **You must close YouTube when you enter the Zoom hearing or there will be a disruptive feedback/echo sound.**

- **When you enter the hearing via Zoom, you must keep your camera OFF and remain muted until the Chair calls your name to begin delivering your testimony.**

- **When the Chair calls your name, please turn on your camera and unmute yourself and begin your testimony**
- After Committee members concluded their questions for your panel, you will be removed from the Zoom hearing. Again, you can watch the hearing via YouTube or the MGA website. If you have another bill being heard in the Judiciary Committee on the same date but later in the day's agenda, please click the Zoom link in your email again to rejoin. You will be readmitted at the appropriate time to testify on your next bill.

- Requests for copies of written testimony after a bill is heard can be made by calling the Committee with the bill number, your name, phone number and email address. The testimony will then be emailed to you. After the Committee votes on a bill and it moves to second reader, the testimony can be found on the MGA website on the bill's history page under "Witness List." Testimony for bills not voted on can be found on the MGA website on each bill's history page after the full Session ends.

    - Name, residential/business address, email, and phone number of the person and/or entity testifying and submitting the testimony

- Written testimony cannot be removed from the Judiciary Committee website or bill file once it has become part of the public record.

- For crossover or re-referred Rules Committee bills, the public may still submit written testimony via the MyMGA portal to indicate their position for the bill. See MyMGA and testimony standards procedures above.

Oral Testimony

- While witnesses are strongly encouraged to provide in-person oral testimony, to include as many citizens as possible in the legislative process, *up to 14* members of the public may provide virtual oral testimony via Zoom per bill.
- Committees may limit oral testimony based on the number of bills being heard and the number of witnesses signed up to testify. If that situation arises, committees will notify witnesses.
- For bills the committee heard and were voted out unanimously during the 2025 Maryland General Assembly, committees will only hear oral testimony from the bill sponsor.
- For any other bills that the committees heard during the 2025 Maryland General Assembly, committees will hear from two proponents and two opponents.
- Witnesses must designate whether they will testify in person or by Zoom. Witnesses may *not* change their oral testimony designation (virtual or in-person) after the sign-up system closes, even if they are not selected for virtual testimony.
- Witness testimony via pre-recorded video will not be allowed.
- Late witness sign-up will not be allowed, but late written testimony may be sent to the committee up until the time of the hearing.
- Witness testimony will be timed. Witnesses should plan to conclude their testimony at the two-minute (2:00) mark, but the allotted time will be at the discretion of the committee chair.

- Witnesses who provide in-person oral testimony will be called to testify before witnesses providing testimony via Zoom. Any changes to this format will be at the discretion of the committee chair.
- Sponsors and witnesses are permitted to share an audio-visual presentation with the committee and are strongly encouraged to upload the presentation as written testimony. Requests to show an audio-visual presentation must be made to the committee manager at least 24 hours in advance of the scheduled bill hearing. **All audio-visual presentations must be received (via email) by the Committee Manager by 6:00 p.m. the day before the hearing**. The two minute time limit for testimony will be applicable for audio presentations. Witnesses providing testimony via Zoom will not be permitted to show an audio-visual presentation during their testimony.
- A group of witnesses are allowed to be called up as a panel [six (6) at a time]. Please note, each panelist will need to sign-up individually to testify orally. Committee members will ask questions after the panel of witnesses conclude their testimony. However, any changes to this format are at the discretion of the committee chair.

Zoom Instructions

- Zoom links will ONLY be sent to witnesses selected to testify who chose "virtual oral" or "virtual both" when they signed up to testify on a bill.
- Zoom links will be sent from noreply@mlis.state.md.us by 12:00 p.m. on the day of the scheduled bill hearing.
- **The Zoom link is confidential and should not be shared.**
- Witnesses **must log into Zoom with their first and last names**, so committee staff are able to quickly identify the user and admit them into the meeting at the appropriate time. Witnesses who do not log into Zoom with their first and last name may miss their opportunity to testify.
- Zoom witnesses should follow the hearings via the MGA website to know when the committee chair will call the bill for which they are testifying. Witnesses should log into Zoom when the bill before their bill is called.
- When testifying, witnesses **must have their camera on**.
- After the committee chair indicates that there are no further questions, the witness should exit the Zoom meeting, or they will be logged out by committee staff.

Oral Testimony

- While witnesses are strongly encouraged to provide in-person oral testimony, to include as many citizens as possible in the legislative process, ***up to 14*** members of the public may provide virtual oral testimony via Zoom per bill.

- At the discretion of the chair, the committee may limit oral testimony based on the number of witnesses signed up to testify. If that situation arises, the committee will notify witnesses.

- At the discretion of the chair, for bills the committee heard and voted out unanimously during the 2025 Maryland General Assembly, the committee will only hear oral testimony from the bill sponsor.

- At the discretion of the chair, for any other bills that the committee heard during the 2025 Maryland General Assembly, the committee will hear two proponents and two opponents.

- Witnesses must designate whether they will testify in person or by Zoom. Witnesses may **not** change their oral testimony designation (virtual or in-person) after the sign-up system closes, even if they are not selected for virtual testimony.

- Witness testimony via pre-recorded video will not be allowed.

- Late witness sign-ups will not be allowed.

- Witness testimony will be timed. Witnesses should plan to conclude their testimony at the two-minute (2:00) mark, but the allotted time will be at the discretion of the chair based on the number of witnesses signed up.

- Witnesses who provide in-person oral testimony will be called to testify before witnesses provide testimony via Zoom. Any changes to this format will be at the discretion of the chair.

- If you plan to use an audio-visual presentation during your **in-person oral testimony**, you must contact the Committee Manager in advance of the hearing. All audio-visual presentations must be received by the Committee Manager by **6:00 pm the day before the hearing**. Witnesses are strongly encouraged to upload the presentation as written testimony through the witness sign-up system. Any audio-visual presentation will be counted against the two-minute time limit applicable to each witness's testimony. **Witnesses providing testimony via Zoom will not be permitted to show an audio-visual presentation during their testimony.**

- Typically, committee members will ask questions after the conclusion of a witness's testimony. However, any changes to this format are at the discretion of the committee chair.

Zoom Instructions

- Zoom links will **ONLY** be sent to witnesses selected to testify who chose "virtual oral" or "virtual both" when they signed up to testify on a bill.

- Zoom links will be sent from **noreply@mga.maryland.gov** by 12:00 p.m. on the day of the scheduled bill hearing.

- If a witness is **NOT** selected to testify, the witness will receive an email from **noreply@mga.maryland.gov** to inform them they were not selected.

- **The Zoom link is confidential and should not be shared.**
- Witnesses must log into Zoom with their first and last name, so committee staff are able to quickly identify the user and admit them into the meeting at the appropriate time. Witnesses who do not log into Zoom with their first and last name may miss their opportunity to testify.

- Zoom witnesses should follow the hearings via the MGA website to know when the bill they are testifying on is going to be called by the chair and should log into Zoom when the bill, before their bill, is called.

- When testifying, witnesses must have their camera on.

- After the chair indicates that there are no further questions, the witness should exit the Zoom meeting, or they will be logged out by committee staff.

Written Testimony

- Any written testimony submitted to the committee is public testimony. It will be posted on the MGA website and, therefore, accessible to the public. Testimony cannot be removed after the scheduled bill hearing.

- Written testimony MUST be in a PDF format to be uploaded.

- Late testimony will be accepted but will not be uploaded in advance of the bill hearing and will be marked as late. Please reach out to the Committee Manager on how to submit late testimony.

- For an MGA sign language interpretation request, please request sign language interpretation at least 5 – 7 businesses days in advance of the event by filling out the following form: Request Sign Language Interpretation Form. The committee

- Voting sessions and voting lists will be available in the MGA hearing schedule 24 hours in advance of a voting session when feasible.

- All voting sessions will be live streamed via the MGA website.

- The outcome of a voting session will be published in the MGA hearing schedule within 24 hours after a voting session and on the bill page on the MGA website after the committee reports out.

Ways and Means Committee
Witness Guidelines
2026 Session

All bill hearings will be held in-person with a virtual oral testimony option (via Zoom) and streamed live on YouTube. If you would like to provide oral testimony, in-person is strongly encouraged.

You can view all hearings live via YouTube on the Maryland General Assembly (MGA) website home page here: http://mgaleg.maryland.gov/mgawebsite/ or on the MGA hearing schedule here: http://mgaleg.maryland.gov/mgawebsite/Meetings/Day/guidelines

Oral testimony sign up and written testimony (must be a PDF document) submission must be done using MyMGA on the Maryland General Assembly website home page (see icon on the upper right corner of home page). **MyMGA works best on Chrome or Microsoft Edge browsers; for Apple devices the Safari browser is best. Other browsers might kick you out of the system.**

If you choose to testify virtually, you MUST enter a valid email address that you can access, because this is how you will receive the Zoom link to get into the hearing to testify.

There is NO switching from in-person to virtual or vice versa once the sign up period has closed.

Oral testimony sign up and written testimony submission is open for 10 hours, 2 business days before a scheduled hearing and starts at 8:00 am and closes 6:00 pm (business days do not include weekends).

Bill sponsors are automatically signed up for oral in-person testimony on their bill, but must follow these same MyMGA procedures and timeframes to upload their written testimony (**bill sponsors**: just select "written" not "both" when uploading your testimony).

The following chart details sign up and written testimony submission timing:

Hearing is on a ⇒	Monday	Tuesday	Wednesday	Thursday	Friday
You must sign up to testify and/or submit written testimony on ⇒	The previous Thursday from 8:00am-6:00pm	The previous Friday from 8:00am-6:00pm	The previous Monday from 8:00am-6:00pm	The previous Tuesday from 8:00am-6:00pm	The previous Wednesday from 8:00am-6:00pm
If a virtual witness, Zoom link emailed to you ⇒	Previous Friday	Monday	Tuesday	Wednesday	Thursday

Bill order will be updated and posted to MGA hearing schedule the day before a hearing.

Time limits: Each witness will generally have a time limit of 2 minutes. However, the time limit may be reduced to 1 minute if there is a large number of witnesses. The Chair will announce any time limit reductions at the start of the hearing.

There will be **no sharing the screen with presentations/PowerPoints** during Ways and Means bill hearings. **This applies to bill sponsors and all in-person and virtual witnesses.** If you would like Committee members to have your presentation, you may upload it in MyMGA in PDF format along with

your written testimony (members will be able to view it during the hearing on their laptops along with all written testimony), or you may email the presentation in advance to Committee members.

In-person Witnesses:
The screens in the main lobby outside of the hearing room display the bill order during each bill hearing (bill order status is updated throughout each hearing) and show the live hearing with closed captions.

Virtual Witnesses:

- Once you receive the email with the Zoom link for your hearing date, to start the process of entering the Zoom hearing, you will click the link which will place you in the "waiting room" for the Zoom hearing. The host of the Zoom hearing will see your name in the "waiting room" and **your name must match exactly with the name you used to sign up on My MGA and must be your first and last name.** How to make sure: once you are signed in to your Zoom account, prior to joining the hearing, go to your "Profile" and choose "Edit" next to your name and make sure your "Display name" matches the first and last name you used to sign up for the hearing. Then join the hearing so the host will see the correct name in the waiting room to admit you.

- **Do not use your organization's name or acronym when joining the Zoom hearing.** The **host will not admit you** to the hearing if the name seen by the host does not match the first and last name used to sign up.

- **The name you use to sign up with during the sign up period is the only name that will be called and allowed to testify – if you change the name in a MyMGA account after the sign up period has closed, that name will NOT be called to testify.**

- If your bill has many witnesses, you might not be admitted right at the start of your bill hearing as the host will admit witnesses in groups of about 5 at a time.

- You cannot hear the Zoom hearing when you are in the Zoom waiting room. You may watch the hearing via the YouTube live stream (see above) while waiting for your bill. **You must close YouTube when you enter the Zoom hearing or there will be a disruptive feedback/echo sound.**

- After your bill is heard, you will be removed from the Zoom hearing. Again, you can watch the hearing via YouTube. If you have another bill being heard on the same date but later that same day, you will be moved to the waiting room and readmitted at the appropriate time for your next bill.

Requests for copies of written testimony after a bill is heard can be made by calling the Committee with the bill number, your name, phone number and email address. The testimony will then be emailed to you. After the Committee votes on a bill and is on second reader, the testimony can be found on the MGA website on each bill's history page under "Witness List." Testimony for bills not voted on can be found on the MGA website on each bill's history page after session ends, or before session ends by calling the Committee to have it emailed to you.

The MGA website home page also has video tutorials for **MyMGA** and testimony sign up.

Please call the Committee at 410-841-3469 with any questions.
